Experience

Peer Language Tutor

George Mason University, Chinese Department — Fairfax, VA

Aug 2025 – Dec 2025

- Supported Mandarin learners through bilingual (English–Chinese) instruction, focusing on both language structure and cultural context
 - Explained cultural concepts such as Daoist philosophy, calligraphy, and traditional practices to enhance student understanding
 - Assisted in organizing cultural activities (e.g., Mid-Autumn Festival, Chinese New Year) to promote cross-cultural engagement
 - Adapted teaching approaches for students from diverse cultural backgrounds
-

English Teaching Intern

Jiangsu Dongtai Secondary Specialized School — Dongtai, China

Dec 2024 – Jan 2025

- Taught vocational English to a class of 35 computer science students, focusing on technical vocabulary and applied language skills
 - Designed lesson plans, PPT materials, and classroom activities integrating English with IT-related content
 - Used interactive methods (group discussion, role-play, task-based learning) to improve student engagement
 - Provided individualized feedback to support students with varying language proficiency levels
-

English Teaching Intern (IELTS Program)

Yangzhou Eton Education & Technology Co., Ltd. — Yangzhou, China

Dec 2025 – Jan 2026

- Led IELTS reading sessions for a group of ~15 students, focusing on academic text analysis and test strategies
 - Designed timed exercises and mock tests to improve reading speed and accuracy
 - Facilitated speaking practice sessions, providing individualized feedback on fluency and structure
 - Contributed to measurable student improvement in reading performance and test readiness
-
